

Appendix A: Companies Sued

The below is an incomplete list of lawsuits filed in US District Courts against companies which use overlay products. In each of the almost-200 cases listed below the defendant's website was using the overlay widget listed in the 3rd column on the date that the lawsuit first appeared in PACER. The filing of these lawsuits against overlay customers proves that the legal protection claimed by overlay vendors is not possible.

	Plaintiff	Defendant	Website	Widget	Case #	District Court
1	Victor Sanchez	Gold Standard Enterprises, Inc.	http://www.binnys.com/	EqualWeb	1:20 21cv 0334 9	Illinois Northern District Court
